

StrongBox Storage Assessment End User License Agreement

BY CLICKING THE “I ACCEPT” BUTTON, YOU ACCEPT AND AGREE TO BE BOUND BY THIS LICENSE AGREEMENT (“**AGREEMENT**”). YOU REPRESENT THAT YOU HAVE READ AND UNDERSTAND ALL OF THE PROVISIONS OF THIS AGREEMENT. YOU MUST ACCEPT THIS AGREEMENT BEFORE YOU CAN DOWNLOAD AND USE THE SOFTWARE. CROSSROADS’ ACCEPTANCE IS EXPRESSLY CONDITIONED UPON YOUR ASSENT TO ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT TO THE EXCLUSION OF ALL OTHER TERMS; IF THESE TERMS ARE CONSIDERED AN OFFER BY CROSSROADS, THEN ACCEPTANCE IS LIMITED TO THESE TERMS. THIS IS A LEGAL AGREEMENT BETWEEN YOU AND CROSSROADS SYSTEMS, INC. (“**CROSSROADS**”).

IF YOU ARE ACCEPTING THESE TERMS ON BEHALF OF ANOTHER PERSON OR A COMPANY OR OTHER LEGAL ENTITY, THEN YOU REPRESENT AND WARRANT THAT YOU HAVE FULL AUTHORITY TO BIND THAT PERSON, COMPANY, OR LEGAL ENTITY TO THESE TERMS.

IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, THEN YOU ARE NOT ENTITLED TO USE THE SOFTWARE.

This Agreement governs the provision of the Software to You unless You have previously entered into a written agreement with Crossroads that by its express provisions supersedes this Agreement.

Crossroads is willing to grant you, or, in the case that you represent a corporation or other organization, that corporation or organization, (collectively and interchangeably, “**Licensee**” or “**You**”) a limited non-exclusive license to use the software (“**Software**”) delivered to You with this Agreement by Crossroads or its authorized distributor on the condition that You accept and agree to be bound by the terms of this Agreement.

1. Grant of License

(i) Subject to the terms and conditions of this Agreement, Crossroads grants Licensee a non-sublicensable, non-transferable, royalty-free, non-exclusive, personal and limited right (the “**License**”) only to use the Software in accordance with the applicable user documentation (“**Documentation**”) for Licensee’s own internal business purposes to determine the state of Licensee’s storage from any mountable storage volume. The term “**Software**” also includes updates, modifications, Advanced Features, or new releases of the Software and Documentation that may be provided by Crossroads to Licensee from time to time in its sole discretion. No rights or licenses are granted by Crossroads or its licensors under this License, expressly or by implication, with respect to any proprietary information or patent right, copyright, trade secret right or other intellectual property right owned or controlled by Crossroads or its licensors, except as expressly provided herein. Licensee’s rights in the Software will be limited to those

expressly granted in this Agreement. Crossroads and its licensors reserve all rights and licenses in and to the Software not expressly granted to Licensee under this Agreement. The Software and Documentation are licensed and not sold.

(ii) The Software includes a built-in report function that provides Licensee with the results (“**Report**”) of the assessment of the state of Licensee’s storage from any mountable storage volume. The base Software version provides Licensee with a summary Report. If Licensee desires to view, save and print a detailed Report, then Customer must register with Crossroads and opt-in to this advanced Software feature (“**Advanced Feature**”). Once Licensee registers with Crossroads to use such Advanced Feature, then Licensee’s registration information along with the MAC address of Licensee’s client system and Licensee’s summary Report will be transmitted on a one-time basis to Crossroads using secure FTP transfer. In response, Crossroads will provide Licensee with a license key to enable the Advanced Feature. Crossroads will have the right to use any metadata (“**Metadata**”) generated from the summary Report with respect to the performance and efficacy of the Software for use in an aggregated manner by Crossroads in the ordinary course of Crossroads’ business for benchmarking purposes, marketing, product development and the like, provided that such Metadata will under no circumstances be directly or indirectly identifiable as being from Licensee. Crossroads’ right to use the Metadata will survive the termination of this Agreement. The Advanced Feature is deemed part of the Software and Documentation licensed hereunder and is subject to the terms and conditions of this Agreement.

(iii) Licensee may engage third parties to use the Software solely on behalf of Licensee; provided, however, such third party does not have the right to charge a fee for Licensee’s use of the Software.

(iv) The Software includes certain “**Open Source Software**”. A list of the Open Source Software included in the Software and available to Licensee from Crossroads, the applicable license terms, and how to obtain the Open Source Software are provided in the Software “about box” or accompanying Documentation. Any provisions in this Agreement which differ from any Open Source Software license are offered by Crossroads alone and not by any other party. ALL OPEN SOURCE SOFTWARE IS PROVIDED ON AN “AS IS” BASIS, AND CROSSROADS AND ITS LICENSORS DISCLAIM ALL WARRANTIES WITH REGARD TO OPEN SOURCE SOFTWARE, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL CROSSROADS OR ITS LICENSORS BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR SPECIAL DAMAGES OR ANY OTHER DAMAGES WHATSOEVER, WHETHER IN AN ACTION OF CONTRACT, NEGLIGENCE, OR OTHER TORTIOUS ACTION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE OPEN SOURCE SOFTWARE EVEN IF CROSSROADS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM CROSSROADS’ OR ITS LICENSORS’ NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.

2. Proprietary Rights

Licensee acknowledges that although copyrighted, the Software embodies valuable trade secrets proprietary to Crossroads and Crossroads' licensors (including, but not limited to, its structure, organization, and source code). As between Crossroads and Licensee, the Software (and all copies thereof) and the related Documentation (and all copies thereof) are the copyrighted, proprietary, and confidential property of Crossroads and its licensors, and all right, title and interest in and to the intellectual property rights in and to the Software and any related Documentation, including but not limited to all patent rights, copyrights, trademark rights, trade secret rights are owned by, belong to and remain with Crossroads and its licensors and not Licensee. Licensee will maintain the Software, trade secrets embodied in the Software and related Documentation in confidence and will not disclose any such information to any third party, or use such information for purposes other than expressly authorized herein. Crossroads and its licensors retain all right, title and interest in and to any and all trademarks and logos of Crossroads and its licensors displayed on or in the Software and Documentation.

Crossroads®, the Crossroads logo, and StrongBox® are trademarks of Crossroads Systems, Inc. All other marks referenced are the property of their respective owners.

3. Restrictions

Except as reasonably required to use the Software in accordance with the License and, except for one copy solely for back-up purposes, copying of the Software or any portion thereof is expressly forbidden. Licensee must reproduce and include the copyright notice and any other notices that appear on the Software on any copies and any media therefor. Licensee will not (and will not authorize any third party to): (i) decompile, disassemble, or otherwise reverse engineer or attempt to reconstruct or discover any source code or underlying ideas or algorithms or file formats or programming or interoperability interfaces of the Software by any means whatsoever (except to the extent that such acts may not lawfully be prohibited), (ii) remove or obliterate any Software identification, copyright, trademark, proprietary or other notices, (iii) provide, lease, rent, lend, sublicense, distribute, transfer, time share or use the Software to provide service bureau, time-sharing or other services to or for the benefit of third parties, (iv) modify, adapt, alter, translate, or create a derivative work of any part of the Software, (v) merge or incorporate the Software into or with other software, (vi) attempt to circumvent, disable or otherwise alter the Metadata reporting functionality for the Software; (vii) sublicense, distribute, sell, or otherwise transfer the Software to any third party, or (viii) disclose the results of any benchmarking of the Software outside of Licensee performance analysis of the state of Licensee's storage from any mountable storage volume, or use such results for its own competing software development activities, without the prior written consent of Crossroads.

4. Maintenance and Support

Crossroads may provide Software support, updates, and upgrades to Licensee in its sole discretion.

6. Termination of License

This Agreement will become effective on the Effective Date and will continue until terminated as set forth herein (“**Term**”). Crossroads may terminate this Agreement immediately upon written notice to Licensee if Licensee, in any manner, breaches any term of this Agreement. Upon the termination of this Agreement: (i) all rights and licenses granted to Licensee in this Agreement will immediately cease, and (ii) Licensee must promptly discontinue all use of the Software and destroy all copies of the Software in Licensee’s possession or control. At the request of Crossroads, Licensee will certify in writing to Crossroads that it has fully complied with these requirements. Sections 2, 3, 6, 7, 8, 10, 11 and 12, and other provisions which by their express terms survive, will survive termination of this Agreement for any reason. Termination by Crossroads is not an exclusive remedy and all other remedies will be available to Crossroads whether or not the License is terminated.

7. Warranty Disclaimer

THE SOFTWARE IS PROVIDED “AS IS” WITHOUT WARRANTY OF ANY KIND, INCLUDING WITHOUT LIMITATION AND TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT. FURTHER, CROSSROADS DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS THAT THE SOFTWARE IS ERROR FREE, WILL BE FREE FROM BUGS OR THAT ITS USE WILL BE UNINTERRUPTED OR REGARDING THE USE, OR THE RESULTS OF THE USE, OF THE SOFTWARE OR WRITTEN MATERIALS IN TERMS OF CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. This limited warranty gives specific legal rights. The parties may have other rights which vary by jurisdiction.

8. Limitation of Remedies and Damages; Force Majeure

NEITHER CROSSROADS NOR ITS LICENSORS WILL BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY, EVEN IF CROSSROADS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE: (i) FOR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OR CORRUPTION OF DATA OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY; (ii) FOR ANY DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, ANY LOST, CORRUPTED OR ALTERED DATA, LOSS OF USE OF DATA, RECOVERY OF DATA, OR LOSS OR INTERRUPTION OF BUSINESS OR PROFITS); OR (iii) FOR ANY MATTER BEYOND ITS OR THEIR REASONABLE CONTROL. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM CROSSROADS’ OR ITS LICENSORS’ NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATION OR EXCLUSION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE.

9. Government Matters

(i) Licensee will comply with all applicable export laws, restrictions, and regulations of any United States or foreign agency or authority. Licensee will not export or re-export, or allow or authorize the export or re-export of the Software, or any product, technology or information it obtains or learns pursuant to this Agreement (or any direct product thereof) in violation of any such laws, restrictions or regulations.

(ii) If Licensee is acquiring the Software and Documentation on behalf of any unit or agency of the United States Government, then the following provisions apply. The Software and Documentation are (a) existing computer software and documentation, and were developed at private expense, (b) a trade secret of Crossroads and its licensors for all purposes of the Freedom of Information Act, (c) “commercial computer software” and “commercial computer documentation” subject to limited utilization as expressly stated in this Agreement, (d) in all respects proprietary data belonging to Crossroads and its licensors, and (e) unpublished and all rights are reserved under the copyright laws of the United States. The Software is licensed only with “Restricted Rights” and the use, duplication, reproduction, release, modification, disclosure or transfer of the Software, manuals, or any technical specifications, or any related documentation of any kind, including technical data (“**Software and documentation**”), is restricted in accordance with Federal Acquisition Regulation (“**FAR**”) 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement (“**DFARS**”) 227.7202 for military agencies. The Software and documentation is commercial computer software and commercial computer software documentation. The manufacturer is Crossroads Systems, Inc., 11000 N. MoPac Expressway, Austin, Texas 78759.

10. High Risk Activities

The Software is not fault-tolerant and is not designed, manufactured or intended for use as on-line control equipment in hazardous environments or high risk applications regarding fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software could lead directly to death, personal injury, or severe physical, property or environmental damage (“**High Risk Activities**”). Crossroads and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

11. No Assignment

Although fully assignable and transferable by Crossroads, neither this Agreement nor any rights or obligations hereunder may be assigned or delegated by Licensee, whether by operation of law or otherwise, without Crossroads’ prior written consent, which consent may be withheld at Crossroads’ sole discretion, and any assignment in violation of this section will be void. Subject to the foregoing, this Agreement will be binding upon and inure to the benefit of the parties and their successors and assigns.

12. Miscellaneous

Any notice, report, approval or consent required or permitted hereunder will be in writing and will be deemed to have been duly given if (i) delivered personally, (ii) the day following transmission if sent by facsimile followed by written confirmation; (iii) one business day (two business days for international addresses) after posting when sent via an express commercial courier; or (iv) five days after posting when sent via first-class, registered or certified U.S. mail, postage prepaid to the respective addresses of the parties as set forth in the Order for notices (or such other address as a party may designate by ten days' written notice) and marked "Attention: Legal." No failure to exercise, and no delay in exercising, on the part of either party, any privilege, any power or any rights hereunder will operate as a waiver thereof, nor will any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. If any provision of this Agreement will be adjudged by any court of competent jurisdiction to be unenforceable or invalid, then that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. This Agreement will be deemed to have been made in, and will be construed pursuant to the laws of the State of Texas and the United States without regard to conflicts of laws provisions thereof. The parties expressly exclude the application of the United Nations Convention on the International Sale of Goods and UCITA (the Uniform Computer Information Transactions Act) as it may be enacted in the applicable jurisdiction. The prevailing party in any action to enforce this Agreement will be entitled to recover costs and expenses, including, without limitation, fees of attorneys and experts and costs and fees on appeal. The parties agree that a material breach of this Agreement adversely affecting Crossroads' or its licensors' proprietary rights in the Software would cause irreparable injury to Crossroads and its licensors for which monetary damages would not be an adequate remedy and that Crossroads and its licensors will be entitled to equitable relief without the necessity of posting a bond in addition to any remedies it or they may have hereunder or at law. Any waivers or amendments will be effective only if made in writing by non-preprinted agreements clearly understood by both parties to be an amendment or waiver and signed by a representative of the respective parties authorized to bind the parties. Any terms and conditions on any purchase order or other ordering document of Licensee issued in connection with the Software are hereby rejected and will have no force or effect on the terms hereof. Both parties agree that this Agreement is the complete and exclusive statement of the mutual understanding of the parties and with respect to the subject matter of this Agreement, unless Licensee has previously entered into a written agreement with Crossroads that by its express provisions supersedes the terms of this Agreement. **NO VENDOR, DISTRIBUTOR, DEALER, RETAILER, SALES PERSON OR OTHER PERSON IS AUTHORIZED TO MODIFY THIS AGREEMENT OR TO MAKE ANY WARRANTY, REPRESENTATION OR PROMISE ON BEHALF OF CROSSROADS.** Each party recognizes and agrees that the warranty disclaimers and liability and remedy limitations in this Agreement are material bargained for bases of this Agreement and that they have been taken into account and reflected in determining the consideration to be given by each party under this Agreement and in the decision by each party to enter into this Agreement.
